Mary Lou,

I will discuss with Judge Malloy and Mike Neimon and get back to you on when to meet to discuss. In all likelihood it will be after the holidays given my schedule and off time.

>>> MaryLou Mueller 12/18/17 15:13 PM >>>Dear Judge Dorow and DCA Neimon,

Attached please find the report from Judge Voiland complaint against me, Commissioner Boline and Judge Malloy to the Department of Justice. In summary the DOJ reports: "DLS has closed the Ozaukee Co. case as non-prosecution...there will be no further investigation activity into this matter."

These distorted accusations are very troubling. I feel as though Judge Voiland has tarnished my good name as a clerk and register, as well Commissioner Boline and Judge Malloy throughout the state with these wild unfounded accusations. I would like the opportunity to discuss the matter with both of you and how to proceed in a professional level with Judge Voiland in the future. I am concerned that the harassment will not stop.

All the best,

Mary Lou Mueller
