Dear Voter,

Your voter registration application has not been processed. We have to return it for a proof of address document. The documents you provide must show your current address, and match the address listed on your registration form. Unfortunately, the document you submitted does not fit these criteria.

The last date to submit voter registration forms via mail was **Wednesday, October 14th**. You can still register to vote for the General Election on November 3rd in the following ways:

- On Election Day at your polling location
- At one of our early voting sites (locations and schedules are included with this letter)
- At our office, located in room 501 of City Hall, 200 E Wells St between the hours of 8:00am and 4:30pm, Monday through Friday, through Friday, October 30th.

If you choose to register at your polling location, at an early voting site, or at our office, you will have to provide proof of residence. I have enclosed a list of examples of proper proof of residence. **You may use this letter as your proof of address (official government correspondence).**

Please call our office if you have any further questions.

Sincerely,

Michael Lawrence
Election Services Administrator
